Dear Mr. Calder:

Subsequent to submission of our January 30, 1991 letter on the Coakley site, we located file records of Mobil contracts with three firms during the survey period.

Please amend the response to question 22a of our response to include the following:

Data General Corporation - furnished computer services

Public Service of New Hampshire - utility provider

Ralph's Truck Sales - provided a truck part.

Please call me at (609) 951-5036 if there are any questions.

Very truly yours,

J. G. Zabaga
Superfund Response Coordinator
